

# ULTRA CABALLO BLANCO 2025

## ACCOMODATIONS AND TRAVEL

The Ultra Caballo Blanco race and the whole experience that accompanies the journey to the Barrancas del Cobre has become a true ‘endurance runner pilgrimage’. While certain aspects of the travel to Urique has gotten much better (roads etc.), the logistics of the travel, the lodging, and the “what do I need to know” can still be a significant challenge. As always, we offer an opportunity to eliminate all that pre-planning, coordination and worry that accompanies such an adventure. We offer a:) all-inclusive cultural exchange packages making the journey super easy and introducing you to the lands and the peoples of the Sierra in a far more intimate manner than would be if you were just ‘coming down to run’ and b:) options for those who are only seeking a ride from Chihuahua or accommodations in Urique

*\*For details on the All-Inclusive Cultural please click the appropriate button on the website ([www.ulracaballoblanco.com](http://www.ulracaballoblanco.com)).*

Come join us this year and experience lands and make friends that you will love and have in your life forever! Viva Chihuahua, Viva Urique, Viva Caballo Blanco, Viva los Raramuri’s!
